Pursuant to Texas Administrative Code, Title 28, §3.3705 (e)(2), an Insurer must provide a web-based listing indicating that the network meets or does not meet the network adequacy requirements. The web-based listing is informational only. To request services from an out-of-network provider, a covered member, covered member's provider or authorized representative should call the toll-free member telephone number on the health plan ID card; for mental health and substance use disorder services, a covered member, covered member's provider, or authorized representative should call the Mental Health phone number on the ID card.
